

FINAL EXAM SCHEDULE -- FALL 2008
December 15 - 18 (Monday - Thursday)

All examinations listed below should be taken at the scheduled time. If there is another section of the same class, students may, with the instructor's permission, take the test with one of the other sections. Those not listed will be arranged by the instructor. Classes meeting on Monday evenings will be tested at their usual time and place during final exam week. Classes meeting on evenings other than Monday will arrange their own exam time. Classroom assignments will be made at a later date.
