The following guidelines apply to a student with itinerant/off-campus residence status:

- *The application for itinerant/off-campus residence status must be completed and on file in the Registrar's Office.*
- *Itinerant/off-campus residence status maintains your enrollment as a full-time student at Luther College. Students participating in a program which begins in the fall semester must pay the \$300 enrollment deposit.*
- *Your statement of account will show a "tuition itinerant fee" of \$300 during the semester/year that you are participating in this program. If you change programs during the year, your account will reflect the additional fee for that semester.*
- *You are not considered withdrawn or on academic leave from Luther. (Application for readmission to Luther is not required.)*
- *Luther College agrees to accept the credits earned in this program (as transfer credits) provided the courses are previously approved and the grades earned are C or above. Courses should be approved on the standard "Course Approval Form" available in the Registrar's Office, or in an equivalent manner.*
- *If you are receiving any financial assistance through Luther, the accompanying "Consortium/Contractual Agreement" form must be completed and returned to the Luther Financial Aid Office for submission to your program. Application for financial assistance toward the cost of the program must be made with the home institution (Luther College).*
