

# BUILD SEASON TICKETS

This form is for subscriptions of 5 or more performances only, not individual performance tickets. Select 5 or more different events for each subscription. Designate the desired number of regular, senior, or youth tickets, and complete the math for a total subscriber price. Senior prices apply to adults age 65 and over; youth prices apply to those age 4–18. Please complete all information requested so that we can best serve you.

Only 400 subscription packages are available. Returning subscribers must respond by June 29 to retain last year’s seats. Subscription orders must be received by August 24.

For your convenience, we offer dinner tickets on the same form. Dinner tickets, separate from your subscription, are \$17\* for all events and ages 4 and up. Any number of dinner tickets may be purchased; they are not tied to your subscription. \*Dinner tickets purchased without show tickets will be \$19.

Event/Day	Regular	Senior (65+)	Youth (4–18)	Event subtotal	Dinner*
