

Build Your Own Season Ticket!

This form is for subscriptions of five or more performances only, not individual performance tickets. Select five (5) or more different events for each subscription. Designate the desired number of regular, senior, or youth tickets, and complete the math for a total subscriber price. Senior prices apply to adults age 65 and over; youth prices apply to those age 4–18. Please complete all information requested so that we can best serve you.

Only 400 subscription packages are available. Returning subscribers must respond by June 19 to retain last year's seats. Subscription orders must be received by August 28. For your convenience, we offer dinner tickets on the same form. They are considered separate from your subscription, and are \$15 for all events and ages 4 and up. Any number of dinner tickets may be purchased; they are not tied to your subscription.
