

## **BAKER VILLAGE DRAW GUIDELINES ACADEMIC YEAR 2008-2009**

The Baker Village Draw is designed to provide groups of **four or six students of the same sex** the opportunity to live together as a peer group in Baker Village. In order to draw for a unit, all student applicants must meet the applicant criteria listed below, completely and accurately fill out the draw application, and abide by all the Baker Village draw guidelines.

### ⇒ **Applicant criteria**

**Students are only permitted to participate in Baker Village draw if they meet all of these criteria:**

- Must have senior class status for the fall 2008 semester, and
- Must have completed 72 credits or more by the end of January term 2008, and
- Not on *disciplinary* probation status (excludes academic probation) during the current academic year, and
- Must turn in a Baker Village application to Residence Life by 4:00 pm, February 8, 2008, and
- Must pay enrollment deposit for fall 2008 no later than April 1, 2008. Failure to do so could jeopardize your approval status, and
- Must register for fall 2008 classes no later than June 1, 2008. Failure to do so could jeopardize your approval status.

### ⇒ **Application Information**

- Applications are available in the Residence Life office and on the Residence Life website beginning January 31, 2008. Applications are due to the Residence Life office by 4:00 pm February 8, 2008. No late applications accepted.
- The Residence Life office is NOT responsible for making sure that students meet the application criteria.
- A student may not sign up on more than one Baker Village draw application.
- The application must include either four or six students' names, signatures, ID numbers and email addresses. If an applicant is not on campus due to a study-away program, his/her proxy may sign the application. Each group selects its own designated representative who will draw for the group. All communication regarding the group application will be directed to the representative and not the individual applicants.
- No reshuffling of groups will be allowed after the Baker Village draw.

### ⇒ **Draw Guidelines**

- **Baker Village draw will take place at 4:00 pm on February 14, 2008, in the Farwell 8<sup>th</sup> Floor Lounge.** Only the designated representative from each group will be invited into Farwell lounge, and the door will be closed for draw. Any designated representative who shows up at 4:01 pm or later will not be allowed to participate in the process, which invalidates the group's application.
- Draw will be done by the selection of a number out of a hat with the student who selects the number 1 getting to choose a unit first, the number 2 getting to choose second, etc.
- Students draw for a specific house and bedroom. The unit representative should come prepared to provide the Residence Life staff with the individual room assignments (either upper or ground level) for the unit at the time of the draw. Room choices are binding.

### ⇒ **Important Information**

- Residents of a unit will have the opportunity to fill a mid-year vacancy prior to December 1, 2008. After that time the Residence Life office may assign a student to the vacant room.
- Townhouses are mostly furnished, but there is room for additional furnishings in the living room/bedrooms. No college furniture may be removed from the unit.
- No meal plan is required for Baker Village residents, but a variety of off-campus meal plans are available.
- Students with vehicles may be issued a permit to park in the Baker Village lots only. The permit does not allow them to park on campus.
- Excessive noise, partying and damage to the unit (as determined by Residence Life staff) will be grounds for an IMMEDIATE eviction from the house. Other sanctions (e.g. repair costs) may also be issued to students violating college policies, state or federal laws.
