

**EDUCATION PARTNERS IN COVENANT (EPIC)
ENROLLMENT FORM**

This is a one-time procedure. With this completed form, our congregation and Luther College enter into covenant as joint members of the Education Partners in Covenant (EPIC) program. Initial enrollment in the EPIC program must occur on or before **August 1, 2008**. We understand that although we do not need to re-enroll each year, a Contribution Form must be completed and returned annually, or when the church has students attending Luther. We also understand that the students must be members of our congregation to be eligible for the match.

EPIC is a partnership between Luther College and the congregation. Luther College agrees to match every dollar ,up to \$750 per year of your congregation’s EPIC award for a maximum of eight eligible semesters. The college requires the church to submit its congregational support by check directly to the college to receive the Luther College match. EPIC is a program for congregations to support students attending Luther. EPIC is not intended as a means of diverting family tuition payments through congregations in order to receive personal tax benefit. This is a violation of tax law that can jeopardize non-profit status for both Luther and the church. Luther reserves the right to refuse matching EPIC funds if the program is used improperly.

Both the yearly congregational award and Luther match are divided equally between semesters. Although we will accept funds at any time prior to the end of the current academic year, payment received by September 1 for fall semester and January 1 for spring semester will maintain the student’s account in good standing.
