

# Boozin' and Cruisin'

*Do you really want to have to blow into a breathalyzer every time you start your car...*

*...This could be the reality if you got a DUI*

- In Iowa, the consequence of getting a DUI for the first time is the loss of your license for 180 days
- Last year, almost 17,000 deaths and half a million injuries were caused by drunk driving crashes in the United States
- There are approx. 1.4 million DUI arrests every year

It's a simple solution...just leave your car at home!
