Luther College Student Senate Bylaws

Introduction

The Luther College Student Senate Constitution lays out the general framework for the Senate. Procedural mechanisms related to the general operations of the Senate are detailed in the Senate bylaws. The Senate may pass any bylaws it deems necessary and proper to accomplish and facilitate the responsibilities set forth in the Constitution, as long as the bylaws are not inconsistent with the Constitution. The Constitution shall dictate the actions and operations of the Senate and supercede all bylaws.

Bylaw 12-01: Positions and Election/Selection Method

The following positions are elected through a campus-wide election each spring semester as specified below: President and Vice President (two positions that run as a joint ticket); Secretary; Treasurer; Senior Class Representatives (3); Junior Class Representatives (3); Sophomore Class Representatives (3); Diversity Representatives (6); and Student Liaison to the Decorah City Council. For the Class Representatives, students vote for members of their respective class, only.

2. The First-year Class Representatives (3) are elected within the first month of fall semester through an election in the respective first-year residence halls.

3. The following positions are appointed to Senate as a function of the Senator's specific student organization roles and responsibilities: Student Activities Council President, Student Congregation President, Inter-Greek Council Representative.

5. Class Representatives run based on their designated class standing as determined by anticipated credit hours, for the beginning of the following fall semester, according to the Registrar’s Office. If a student enters Luther with prior credit, he/she may decide to run as a representative for his/her entry cohort.

Bylaw 14-02: Timing of Elections/Guidelines

1. The campus-wide spring semester elections will be held in mid-April each year at a time proposed by the Election Committee and approved by the Senate.

2. The “Election Guidelines” outlining the election process will be publicized, via a means determined by the Election Committee that, at a minimum, includes the following:

   a. The date when applications are available. As a guideline, applications should be made available at least one month prior to the campus-wide election.
   b. The date and time by which applications are due. As a guideline, all applications should be returned two weeks before the election. Candidates who submit applications after the due date may only run if their applications are approved by the Election Committee.
   c. The prescribed manner for campaigning and advertising.
3. Because candidates must submit an application in advance of the elections, write-in candidates are not allowed on the ballot.

4. Any special elections throughout the year, if necessary, will be determined at a date and via a process as determined by the Election Committee and approved by a majority vote of the Senate.

Bylaw 12-03: Election Committee
