4. Upload proposal to the Katie site and submit a hard copy to the Dean’s Office by September 15.

**Sabbatical Leave Application proposal guidelines**

1. Project Proposal
   a. Describe your project.
   b. What is the anticipated result?
   c. Demonstrate that the plan is realistic and manageable for one semester or one year.
2. How does this proposal fit into your long-term plan for professional growth?
   a. Relate this proposal to your past scholarly work, including any previous sabbaticals.
   b. What contribution will your sabbatical make to your profession? Are there anticipated conference presentations, performances and/or publications?
3. How will your sabbatical contribute to the educational mission of Luther College?
   a. Will this project make you more effective in the classroom?
   b. Will the college benefit in other ways?
4. If the project includes off campus research or residency, provide documentation showing that all arrangements have been made.
5. If the sabbatical is dependent on working with an organization, the sabbatical application must include a letter from a representative of that organization indicating his or her agreement with the sabbatical project arrangements. If a letter is not submitted with the proposal, or not indicated that it is expected, the proposal will be judged non meritorious.
6. Project proposals involving human subjects must include documentation of approval from the Human Subjects Review Board (HSRB) at Luther College and other relevant institutions indicating compliance with the guidelines established for the protection of human research subjects. The complete Guidelines for the Protection of Human Research Subjects documentation are available in the Office of the Dean of the College. If HSRB is not submitted with the proposal the proposal will be judged non meritorious.
7. Discuss the nature of any supplemental funds you are seeking to help complete the project.
