

PARTICULAR EXPECTATIONS FOR EACH PROGRAM AREA

See the website for each program area.

Secondary and K-12 Education minors should find a professor in the Education Department to serve as an "Education advisor."

PORTFOLIO SYSTEM: Candidates who will be licensed in more than one program area and more than one secondary discipline will complete a Developing and Advanced portfolio for each area and/or discipline.

Methods Practicum & Student Teaching: *Candidates who will be licensed in more than one program area and/or in more than one secondary discipline will student teach in each of the program areas and disciplines. Student teaching could extend beyond the usual 14 weeks.*

Elementary Education

- 2.75 GPA in Elementary Education
- At least a "C" in each course required for licensure
- Choose an endorsement: see the Education website.
- *Some endorsements require student teaching in addition to the regular 14 weeks required for Elementary Education: ESL, Reading, Instructional Strategist II, Middle School Specialist.*

Secondary Education

- **ELA:** 2.75 GPA in English
- **Math:** 2.50 GPA + at least a "C" in [MATH 220](#), [240](#), and [365](#)
- **Modern Languages:** 3.0 GPA; before student teaching pass OPI with "advanced low"
- **Biology & Chemistry:** 2.50 GPA
- **Physics:** 2.75 GPA
- **Social Studies:** 2.75 GPA; To be "marketable," one area of SS usually is not adequate

K-12 Education

- **Art:** 2.75 GPA in the Art
- **Health:** 2.75 GPA; To be "marketable," "Health" should be combined with "PE."
- **Music:** 2.75 GPA; Plan ahead for the expectations of the ensemble(s) in which you participate as those expectations relate to the methods practicum and student teaching.
- **Physical Education:** 2.75 GPA; To be "marketable," "PE" should be combined with "Health."
