1) Your first set of Education courses are called *foundation* education courses.
   - Usually potential Education majors and minors *first* take EDUC 185 during their first January-term at Luther College. If it is not possible to take EDUC 185, take EDUC 215 sophomore J-term.

2) Foundation courses include the following:
   - EDUC 220: Educational Psychology
   - EDUC 221: The Diverse and Exceptional Learner
   - Introductory Education Methods course for your anticipated primary licensure area:
     - EDUC 222: for anyone anticipating the Elementary Education major
     - EDUC 232: Music Education majors
     - EDUC 252: Secondary Education minors

3) Keep the following in mind as you anticipate application to the TEP:
   - Your overall GPA must be 2.75.
   - You need to be alert to the mandatory meetings that will be held.
   - The semester you take your first 200-level foundation course, you will purchase a Chalk & Wire account that you will use for your portfolios throughout the TEP.
   - You need to pass the reading, writing, and math subtests of the *Praxis Core*.
