SUMMER SCHOOL FINANCIAL AID INFORMATION

ELIGIBILITY
Summer financial aid eligibility is limited to students who are admitted into a degree program at Luther College and are enrolling in summer credits at Luther College. **Luther College students who are enrolling at other colleges over the summer will not be eligible for financial assistance through Luther College.**

TYPES OF AID AVAILABLE
Summer financial aid is limited to Federal Pell Grant (if eligible), unused Stafford Loan from the previous academic year, Federal Parent Loan (PLUS), and selected private educational loan options. **Students must be registered for at least 6 credit hours in summer to be eligible to be considered for Stafford, PLUS and most private loan options.** The Financial Aid Office will always review your eligibility for the more favorable federal aid options prior to recommending a private educational loan for summer expenses. We recommend completion of your 2018-19 FAFSA so that we can evaluate your eligibility for Federal Pell Grant.

In many cases, private educational loans will be the only option available to assist with summer expenses. If you have previously used such loans, and will need another for summer, it is usually beneficial that you continue to use the same program. However, many private loan programs require that you register for at least 6 credits to be eligible to receive assistance through their program. If you expect to register for fewer than 6 credits, your options for financing the summer expenses will be limited. In most cases, private loan programs will require a creditworthy co-signer.

FINANCIAL AID APPLICATION PROCEDURES (**Apply prior to May 15**)  
1. Complete the 2018 Summer Financial Aid Application included.  
2. Schedule an appointment with a financial aid counselor to discuss your aid options and processes.  
3. Complete and submit any application materials discussed with your counselor.  
4. Register for your summer courses.

REGISTRATION INFORMATION
Go to the Registrar’s Office website to read the Summer Session Information section. Carefully follow the instructions for summer registration outlined on this site.

1. Select your courses and complete the Application for Summer Registration. It is important that you choose and list alternate courses when you register. Some courses may ultimately not be offered due to insufficient number registered.  
2. Submit the Application for Undergraduate Courses by May 16, 2018. You do not register on-line for summer classes.

ADDITIONAL INFORMATION
If you apply for a private educational loan to finance your Luther College summer expenses, please remain in contact with the Financial Aid Office to be sure the loan is approved. As you know, there are disclosure steps that must be completed before funding is received from your lender. Contacts to you or your co-signer are often made by email. Any actual mailings from the lender will likely be sent to you at the permanent address you list on your loan application. If the permanent (home) address is not where you live in the summer, please be sure someone at that address is forwarding your mail for you to review.

In most cases, changes in expected enrollment, including dropping courses, will change your summer aid eligibility. **If federal aid is awarded for both terms and you do not enroll for Term II as planned, it is possible that aid may be canceled for both terms and you will be responsible for payment of Term I charges.** Contact the Financial Aid Office immediately if your enrollment plans change.

SUMMER ENROLLMENT AT A COLLEGE OTHER THAN LUTHER COLLEGE
You are not eligible to receive financial aid through Luther College for summer enrollment at another institution. If you plan to enroll in summer courses at an institution other than Luther and you are concerned about financing your summer costs, please schedule an appointment with a Luther College financial aid counselor **prior to May 15**. We will check to see whether you’re maximizing your eligibility for current year aid.
