Make a difference in honor of your reunion

Each gift you make this year will be counted in the 35th Reunion Giving Campaign. And, together, the Class of 1983 can make a big impact. This year our reunion giving priorities are the Luther Fund and the Class of 1983 Endowed Scholarship.

The Luther Fund
When you donate to the Luther Fund, you’re supporting scholarships, financial aid, music tours, student groups, intramural sports, student/faculty research, well-kept residence halls, well-equipped classrooms, a beautiful campus, and so much more! You’re supporting students. It’s that simple.

Class of 1983 Endowed Scholarship
This newly created endowed scholarship will be awarded to students as soon as the fund reaches $25,000. As of June 2018, 1983 classmates have given and pledged $6,000. Help us grow the fund so that Luther can put our scholarship to work! Now more than ever, scholarship support is critical as students search for ways to meet the rising cost of higher education.
