Class of 2009 10-Year Reunion
Things to Know:

Luna Valley is a working farm that also serves amazing wood-fired pizza on Friday nights in the spring and summer months. The Class of 2008 celebrated their 10-year reunion at Luna Valley last year and we had a great time!

We will be outdoors for this event. There will be heated tents with tables and chairs, and there is also seating available in part of the barn.

We encourage you to dress casually and wear comfortable shoes. Think jeans, sweaters, and layers (it can be warm when the sun is out, but it will cool down as it gets dark).

Non-alcoholic drinks are complimentary. Luna Valley also has a nice variety of beer and wine available for purchase. They accept both cash and credit cards. Please note that outside beverages are not allowed.

There is not good cell phone reception out at Luna Valley. Maps with directions back to Decorah will be available at the farm.
