**Spring Term 2015 End of Semester GoPrint Stats**

Deployed by LIS in 2009, GoPrint is Luther’s print management solution. It allows us to more accurately track usage and allocate costs in providing print services to campus. GoPrint is also part of our effort to help cut down on waste and encourage better management of resources.

This report uses data gathered during the Spring Term 2015. (Feb. 4th - May 22nd) All information comes from the Student User Class Quota class/purse. Reports were exported to .CSV format and then ported to .XLS for manipulation purposes (exporting straight to .XLS inserts unneeded formatting). All numbers are rounded to the nearest tenth. All Data is located at: \admin1.luther.edu\lis\GoPrintissues\
Quota Usage

(Report: Printing Usage, Student User Class: Quota)

Students were allotted a total of 400 pages during Spring Term 2015 for printing purposes.

# Students who used 100%+: 39
# Students who used 100%: 68
# Students who used 76% - 99%: 331
# Students who used 51% - 75%: 476
# Students who used 0% - 50%: 1132

Average % Used: 49.7% (198.9 pages)
*Students may use more than 100% of their quota by using NordiCash to pay for print jobs.*

% Quota used (100% = 400 pages)
With 2,046 students using GoPrint and each capable of printing 400 pages, there existed a potential for 818,400 pages to be printed during Spring. Students used less than half that amount with 406,984 pages being printed or 53.9%. This is a decrease from Spring 2014 which saw 461,804 (48%) pages being printed.

**Total Quota Pages Used:** 406,984 pages  
**Total Quota Pages Unused:** 411,416 pages

**Reimbursements**

(Report : Printing Usage Report, Exclude Date Quotas Reset)

31 reimbursements to GoPrint quotas were made in Spring 2015. Reimbursements are made due to printer malfunction, toner error, etc. The Technology Help Desk maintains work orders of all reimbursement forms.
Pages Printed
(Report: Printing Totals)

All networked printing devices on campus are listed in GoPrint and are separated into two categories Active and NonActive. Luther currently has 158 printing devices.

Active Printers are those who require a release from GoPrint (i.e. permitting an account to be charged). Print jobs sent through these devices are logged and charged. There are currently 78 printers in this category (an increase of two over previous years).

NonActive Printers are those who are tracked by GoPrint, but do not require release. Print jobs sent through these devices are logged, but not charged. There are currently 80 printers in this category.

Total Pages Printed
