

PRESIDENT'S COUNCIL

Luther students are at the center of all we do, and donors at all levels take great pride in joyfully sustaining the college's mission. During these extraordinarily challenging times, with so many unknowns, I take heart knowing Luther's President's Council members remain among our most generous, enthusiastic, and steadfast supporters. I am delighted to welcome the new Life Members who attained this philanthropic milestone in 2020 and celebrate their cumulative generosity to Luther College!"

"We were welcomed to the Luther and Decorah communities in 1967 with offers of opportunities and responsibilities that would become extraordinarily stimulating and satisfying over the years. We choose to give back to Luther because we are grateful, and particularly grateful that all three of our boys could be born and raised in this place, and that each would choose Luther College for his own life-shaping experiences. Mange tusen takk!"

—Sunny and Dale Nimrod with their three sons (left to right): Adam Nimrod '94, Andrew Nimrod '90, and Jacob Nimrod '01
