

The following pages list individuals and organizations that have provided financial support to Luther College of \$1,500 or more—or \$750 or more for alumni in their first decade after graduation—in the past calendar year, January 1–December 31, 2018, and those who have provided \$100,000 or more to the college cumulatively through December 31, 2018. In recognition of their leadership in giving, these donors qualify as members of the Luther College President's Council.

Gifts at all levels are vital in providing scholarship assistance for students, ensuring the success of academic and cocurricular programs, and meeting needs for technology, equipment, and facility maintenance and replacement.

\* Attained Life Membership and President's Circle membership during the 2018 calendar year

◇ President's Council Life member(s) whose cumulative giving increase from last year resulted in a move to a new President's Circle level
