What NOT to bring
Do not bring anything you are afraid of losing, such as electronics, jewelry, etc. We have a safe campus, but this does not ensure that something could not be lost or stolen. Luther College is not responsible for anything of yours that is lost or stolen.

Please also keep in mind that multiple Dorian students are staying in dorm rooms and lounges with multiple Luther students. There will not be a ton of space! Only bring the things you absolutely need, and leave everything else at home!
