

## 2019-2020 Super Single and Standard Single Application Guidelines

The single draw is designed to give upper-class students an opportunity to live in their own room.  
Room costs for the 2019-20 academic year: Super single: \$6,200, standard single: \$5,860.

### Housing Options

#### ***SUPER SINGLE ROOMS:***

- A “super single” is a traditional (two-person, double) room contracted to **one** person as a single room
- Students living in a super single room will be charged a super single room rate which is higher than a standard single room rate
- We will store the additional bed but the remaining furniture must remain in the room
- At least ten super singles will be offered to women in Dieseth, Miller, or Olson
- At least ten super singles will be offered to men in Dieseth or Miller

#### ***STANDARD SINGLE ROOMS:***

- There is a limited number of standard single rooms available in Farwell and Larsen
- Standard single rooms are smaller and cost more than a double room
- Room availability changes and is based on number of single rooms remaining after student housing accommodations are completed

### Application Requirements

- **All applicants must be registered for classes for the fall 2019 semester.**
- Applications are due in the Residence Life office by NOON on Tuesday, April 30, 2019; no late applications will be accepted.
- Room draw numbers for each applicant will be placed in rank order from lowest to highest; the lowest numbers for both options will be selected.

### Draw Process

- Applications will be ranked and posted in the Residence Life office window at 4:00 p.m. on Tuesday, April 30, so students will know if their application was successful in obtaining a super single or standard single room. Students who do not receive a super single or standard single room should continue with the general room draw process.
- Approved applicants will come to Mott/Borlaug on Thursday, May 2, 2019, at 6:00 p.m. to select their super single or standard single room. Applicants must bring their room draw card. Room choices are binding.
- If you are unable to obtain a super single or standard single room, you should find a roommate and continue through the double room draw process. All students applying for singles should have a backup option in mind.
- Students who are unable to obtain a single room may put their names on a waiting list following the single draw. The waiting list will be prioritized by draw numbers and is effective for fall semester only. A new waiting list will be compiled for spring semester.
- Room choices are binding. Students will be charged \$100.00 for room changes after May 2, 2019.
