

Luther Garden Crew Job Description

Position Title: Luther Garden Crew

Department: Center for Sustainable Communities – Luther Gardens

Student Work Supervisor: Food and Farm Fellow

The Luther Gardens continue to expand in size and capacity and provide a unique way for you to learn about food production, food safety standards and creative growing techniques, all the while producing healthy, fresh local food for the college cafeteria.

Job Responsibilities:

- Tending to plants in the greenhouse and high tunnel
- Preparing beds for planting
- Planting, weeding, harvesting and processing produce
- Adhering to strict food safety protocol when working in the gardens
- Coordinating with dining services on invoicing and delivering
- Maintaining the community gardens (mowing pathways, string trimming the perimeter)
- Taking care of equipment and tools
- Maintaining accurate records of work (planting, weeding, harvest dates)
- Coordinating with grounds and other facilities staff on projects as needed
- Other projects as assigned

Requirements

- Enrollment at Luther College
- Valid driver's license preferred
- Physically able to perform duties required
- Interest in food production
- Ability to carry up to 40 pounds
- Team-minded orientation
- Ability to work in extreme heat and perform physical labor

Expectations

- Arrive at work on time and with a positive attitude.

Education/Experience Required: None.

Supervisory Responsibilities: None.
