Finance Query

Displays GL Account activity based on financial year, date range, and a variety of filters.

The screenshot displays the Finance Query interface. On the left is a vertical navigation sidebar. The main area features a filter panel on the left and a data table on the right. The filter panel includes sections for Fund, Function, Dept (with a selected value of 33900), Object (with a selected value of 51111-51421), Project, and Sort Options. A blue 'Filter' button is highlighted with a green box at the top of the filter panel, and a blue 'Apply Filter' button is highlighted with a green box at the bottom. The data table shows columns for GL Account, Budget, Actuals, Requisitions, Encumbrances, and Remaining. The table lists five GL accounts with their respective values. At the bottom of the table, there is a 'Grand Total' row. Navigation controls for the table, including page numbers and a 'Per Page' dropdown, are located below the table.

GL Account	Budget	Actuals	Requisitions	Encumbrances	Remaining
10-132-33900-51111 Happiness Department : Dept'l Supplies	\$0.00	\$143.80	\$0.00	\$0.00	-\$143.80

Grand Total	\$21,500.00	\$6,354.79	\$0.00	\$0.00	\$15,145.21

Press the 'tab' key to move between fields. Add filters to narrow your selection and choose 'apply filter' to display your selection.

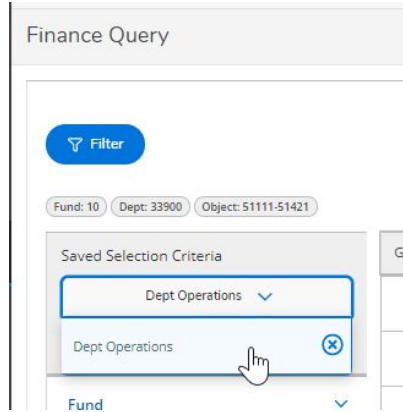

Save your filter (query selection)

The screenshot shows a web application interface for configuring filters. At the top left, a blue button with a funnel icon and the text 'Filter' is highlighted with a green box. Below this, the current filter settings are displayed: 'Fund: 10', 'Dept: 33900', and 'Object: 51111-51421'. The main configuration area includes several sections: 'Fund' (dropdown), 'Function' (dropdown), 'Dept' (dropdown with '33900' selected), 'Object' (dropdown with '51111-51421' selected), 'Project' (dropdown), 'Include Active Accounts with No Activity' (checkbox), and 'Sort Options' (dropdown). To the right, a 'GL Account' table lists '10-1: Happ' for each category. At the bottom, there are three buttons: 'Apply Filter' (blue), 'Reset Filter' (white), and 'Save Criteria' (white), with the 'Save Criteria' button highlighted by a green box.

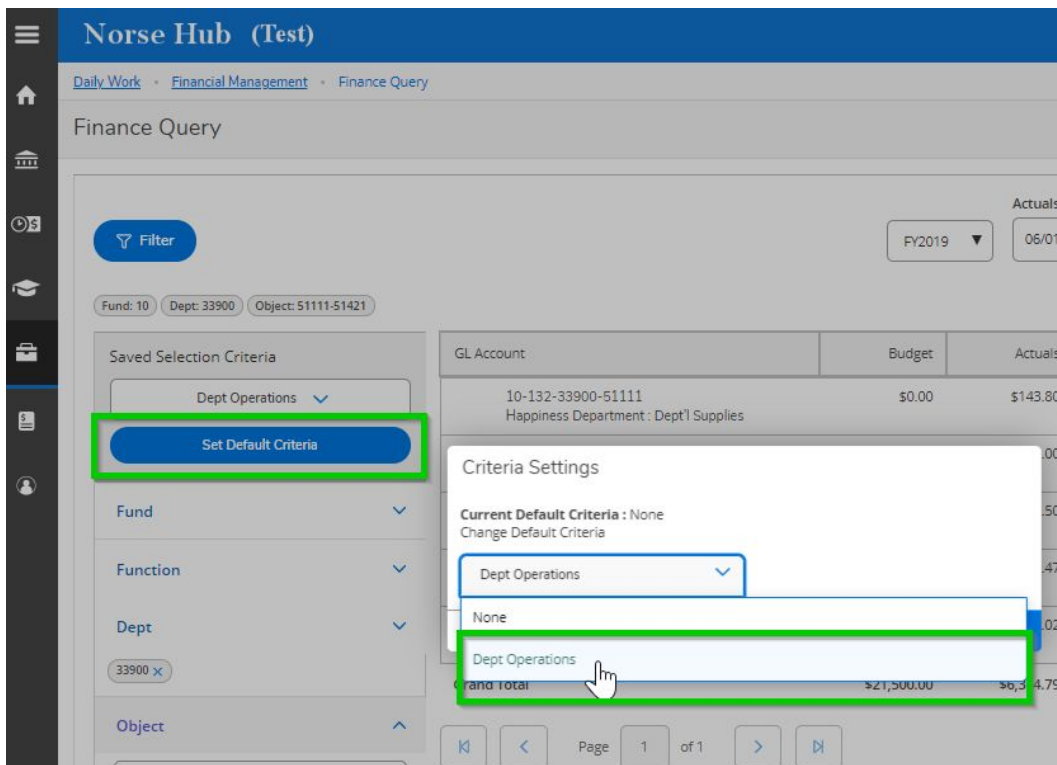

To save a filter for quick access in the future, simply click on 'save criteria' and a dialog box will prompt you for the filter name. Use a name that's meaningful to you.

The dialog box is titled 'Save as a Selection Criteria'. It contains two radio buttons: 'Save as a new criteria' (selected) and 'Overwrite the current criteria: (Not Selected)'. Below the radio buttons is a text input field labeled 'Name *' with the text 'Dept Operations' entered. At the bottom of the dialog, there are two buttons: 'Cancel' and 'Save'.

Your saved filter will appear in the drop-down options.

You can add and save any number of filters as well as set your default filter. The default filter is applied automatically the next time you use Finance Query.

You can view transaction details by double-clicking on the account number.

Other Budget Management Tips

- Filters are based on Luther's 15 digit account number structure

- When filtering, be sure to include all relevant accounts in order to see an accurate **funds available total**. Include object code values beginning with 4 to see revenue activity, object code values beginning with 5 to see expense activity, and, for fund 11 (endowment spending) and fund 12 (gift) accounts, object code values beginning with 3 to see carry forward balances.
- Pooled budget accounts are indicated with a U (umbrella) and reported in total. To see the accounts included in the pool (indicated with Ps), click the **arrow next to the U**.
