- Technology in the Classroom

## **PROFESSIONAL EXPERIENCE**

Luther College, Decorah, Iowa

Associate Professor of nursing responsible for teaching sophomore and senior level baccalaureate nursing students in courses taught on campus, in Rochester, Minnesota, as well as in Nottingham England. Responsible for teaching science courses, nursing courses and an interdisciplinary college wide course in health care ethics. Responsible for providing leadership in planning, guiding, implementing and evaluating learning experiences of students in classroom and clinical and lab settings. 8/00 to current

Winneshiek Medical Center, Decorah, Iowa

Urgent Care staff nurse. Responsible for providing part-time staff nurse support for Urgent Care services at Winneshiek Medical Center. Responsibilities include obtaining history, administering immunizations, providing nursing care for acutely ill patients and assisting in the emergency room as needed. 8/07 – 8/15

South Madison Community Health Center, Madison, Wisconsin

Adult nurse practitioner responsible for primary care of mostly lower-income underserved minority clients. Provided diagnosis and treatment for chronic health conditions and sexually transmitted diseases. Performed routine physical examinations and health maintenance for well patients. Performed minor procedures and addressed mental health and social issues. 5/00 – 8/00

University of Wisconsin Hospital & Clinics, Madison, Wisconsin

Operating room staff nurse responsible for circulating in all specialties including all transplant cases and cardiac cases. Promoted to UW classification “NC 3” for authoring self-teaching module on lung transplantation. Managed resources and staff for shift in charge nurse position on an as needed basis. 9/93 to 8/00

Boulder Community Hospital, Boulder, Colorado

Selected to participate in first operating room training program at Boulder Community Hospital. Responsibilities included working as a scrub and circulating nurse in the operating room. Able to scrub and circulate all specialties. Member of open-heart team and as such responsible for assisting directly with surgery including wound closure. Promoted in 1993 to management position with added responsibilities of managing evening surgical schedule and staff. 4/90 – 9/93

Boulder Community Hospital, Boulder, Colorado

Staff nurse on a medical/surgical/orthopedic unit. Responsibilities included direct total patient care, working under high stress, emergency situations; utilizing time management and organizational skills to effectively complete tasks in a timely manner; and demonstrating leadership abilities by occasionally acting as charge nurse. 1/88 – 4/89, 2/90 – 4/90

Long & Jaudon Law Firm, Denver, Colorado

Medical paralegal for large medical litigation law firm. Responsibilities included drafting questions for depositions and interrogatories, preparing witnesses for trial, digesting depositions and intensive medical and legal research. 8/89 – 2/90
