
PRESIDENT'S COUNCIL

“Each year, the generosity of President’s Council members brings the college’s mission to life. This multigenerational donor group is the trusted base of true-blue supporters whose gifts impact all aspects of a Luther education. They are the ones we can count on to hold fast to the Luther blue thread that connects past, present, and future.

It was inspiring to recognize the new Life Members, who attained this philanthropic milestone in 2021, at our event on April 2, and to celebrate their generous love of Luther College.”

—President Jenifer K. Ward

A full list of 2022 membership, based on 2021 calendar year giving, is available at luther.edu/magazine.

“Support Luther! It provides a strong foundation for lifelong learning at a time when many large universities are cutting back on their liberal arts offerings. Luther has provided a great base for three generations of our family—Jenee’s three aunts, who were among Luther’s first women graduates, her father and mother, her sister, Dave’s brother, our three children, their spouses, and us.

We are pleased that we are able to give back to help current and future Luther students.”

—Dave '71 and Jenee (Nelson) Dettmann '72
