

# The 2023-24 Luther College Co-Curricular Activities Fee

## The Co-curricular Activities Fee (CAF) allows you to:

- **Attend events on campus** presented by Student Activities Council (SAC) and Performing Arts Committee (PAC) *free of charge* or at a significantly reduced rate.
- **Support activities on campus.** The CAF supplies funds for the diverse events, activities and performing artists who come to our campus.
- **Bring art to campus.** Luther's art galleries, supported in part by CAF funds, exhibit a wide range of visual artists from the Luther community, and the world beyond.
- Fund **student organizations** which in turn support your interests! The CAF provides substantial funding to student organizations, distributed by Student Senate. This makes it possible for organizations to present events such as the International Students and Allies Association's amazing annual fashion show, Intersectional Feminist "Monologues," and the BSU talent show.

## About Student Activities Council
