What NOT to bring to Dorian

- Do not bring anything you are afraid of losing, such as electronics, jewelry, etc. We have a safe campus, but this does not ensure that something could not be lost or stolen. Luther College is not responsible for any of your items being lost or stolen.
- Please also keep in mind that multiple Dorian students are staying in dorm rooms and lounges with multiple Luther students. There will not be a ton of space! Only bring the things you absolutely need, and leave everything else at home!
