

Student motor vehicle registration

- Registration of vehicles is done at the Welcome Center in the Dahl Centennial Union.
- All full-time and part-time students, whether living on campus or off campus, must register their vehicle with the college within 24 hours of their arrival to Luther.
- The college vehicle registration fee is \$240 per academic year for students living on campus and \$220 for commuters. Temporary parking permits are available for \$2 per day. Limited "Reduced Lot" permits are available for \$140. Inquire at the Welcome Center in the Union; some restrictions apply.
- A student parking sticker entitles a registered vehicle to be parked in a designated student or general parking area, according to permit, if and when there is a parking space available. It does not guarantee a parking space.
- Students wishing to register more than one vehicle, will be required to show proof of ownership. If students wish to exchange one car for another, we may require proof of sale of the old car or return of the previous permit.
- The registration fee and all fines incurred, will be charged to your student account (payable at the Office for Financial Services or through your Norse Hub online).
- Students are expected to be familiar with and abide by all campus parking and traffic regulations. The Motor Vehicle Regulation Manual is available at the Welcome Center or on the Luther website at: <http://www.luther.edu/safety/vehicle/>
