

Tree Adoption Request Form

Thank you for your interest in funding a recognition tree! Adopting a tree is a restorative way to commemorate events, loved ones, or members from our community, while contributing to the beauty of our campus. A donation of \$1,000 covers the costs for tree maintenance and site upkeep, and the cost of an engraved plaque. Trees are marked with a plaque recognizing the individual or occasion being honored and will be listed in the Recognition Tree and Donor List found on our website.

Please complete the following steps to adopt a Recognition Tree:

- Contact Rachel Vsetecka, director of stewardship & special events, at rachel.vsetecka@luther.edu or 563-387-1286 to let us know of your intentions or if you have questions.
- Complete this *Tree Adoption Request Form* and return, along with your gift, to:
