

What TRIO can DO for YOU

The TRIO Achievement Program supports your transition to, through, and from Luther College.

Here are some of the ways that TRIO positions and empowers you to thrive at Luther and beyond:

Foundations course

2-credit course designed to help you get off to a strong start in college. Only available to new TRIO participants.

Personal coaching

A TRIO advisor will advocate, educate, and encourage you on your path to personal growth and success.

Professional tutoring

Luther TRIO students have access to live online tutoring at no charge through TutorMe.

Financial wellness

TRIO prioritizes your financial security through grants, scholarships, financial wellness consultations and more.

Academic and career planning

We'll help you develop annual goals and your 4-year plan as you find your calling and suitable educational path.

Building community

TRIO just might become your home-away-from-home. Fun, food and fellowship are a given with us!

Textbook lending library

Save money on books and technology through our lending libraries. Free copies and supplies are also available.

Mentoring

TRIO Peer Leaders will help you navigate college. In addition, we're intentional about alumni/career mentoring.

On-Demand workshops

Time management, navigating stress, and study abroad are just a few popular topics. What interests you?

Leadership development

Did you know that TRIO can sponsor your attendance at conferences? Ask us about this unique benefit.

Graduate School assistance

Continuing your education? Attend the grad school prep conference and prepare for your exam with our help.
