

Norse Hub: Departmental Oversight for Academic Department and Program Leaders

Department and program leaders can access information about current and previous course sections offered by their department/program in Norse Hub.

Log into Norse Hub and click on the Departmental Oversight tile:

Use the radio button to search by section or faculty, then enter specific search information in the text box and hit the enter key on your keyboard or click on the magnifying glass at the end of the search box:

Click on the specific section for more information such as roster and grades, or the View Details button for expanded information about courses, organized by semester and year, taught by the instructor in that row.
