

LUTHER COLLEGE

2024-25 9th Semester Elementary Education, Social Work, and Music Education Statement of Intent

Student Name: _____ Luther ID: _____

- This preliminary form is to assist the Financial Aid Office in calculating your student aid.
- The **Registrar's Office** makes the final determination of eligibility (normally sometime after the end of the semester preceding your practicum). If you don't qualify, a financial aid revision may be required.
- If you believe you will qualify for the discount, and wish to claim it, you must also complete the Application for Tuition Credit for each term of your practicum. You can obtain this form from the Registrar's Office.

You Will Need to Meet with a Financial Aid Counselor to Determine What is Best for Your Situation

Please Note: In some cases, your practicum will cover a semester plus J-Term. If you qualify for the discount, the J-Term credits are charged separately and a separate Tuition Discount form must be completed for each term. If your practicum requirements extend into spring semester, those charges will be in addition.
