

International Student Application for Financial Assistance 2025-2026

Instructions for Completing the International Student Application for Financial Assistance.

The International Student Application for Financial Assistance is designed to gather information from international students who are applying for financial aid at colleges/universities in the United States or higher education institutions that have agreed to accept this form. When completing the application, it is important to:

- Note that this form is only for non-US citizens/permanent residents.
- Answer all questions that apply to you and your family.
- Convert all currency figures to US dollars (US \$) before entering them on the form.
- Return the form directly to the college/university that provided or requested it.

Some of the questions on the International Student Application for Financial Assistance are self-explanatory; the instructions that follow are only provided for questions that may need further explanation.

Section A—Student's Information

Section B—Student's Citizenship

These sections pertain to the student who is applying for aid.

Section C—Family Information

On this application, "parents" means the custodial parent(s)—the parent or parents (or legal guardian) with whom the student lives. If the student's biological or adoptive parents are divorced or separated, the custodial parent(s) are the parent or parents with whom the student has lived the most during the 12 months prior to filling the application. If the custodial parent has remarried, "parents" includes the student's biological/adoptive parent and stepparent.

Section D—College/University/Program Information

Section E-Income

Most colleges/universities require you to submit documentation to verify information on this form. Check with the colleges/universities to determine their requirements.

Section F—Property and Assets

Property and assets information pertains to the parents/legal guardians, or to the student and the student's family if the student is married and lives independently of the parents/legal guardians.

Write in the value of property and assets and, where asked, any debt against the asset as of the time you complete this application.

Section G—Expenses

Write in the annual amount your household (parents/legal guardians/siblings/elderly members) spent on the items listed. If you do not know the actual amount, please estimate.

This form can be completed online and downloaded or printed once completed, or you may download and complete it in Adobe Acrobat and then print it if you so choose. Please remember to save your form as you work. You may also print the form and complete it in writing. Please check with the colleges/universities to which you are applying about the format in which you should submit the completed form to them.
