Note 1: Luther College FTE (Full-Time Equivalent) Student Definition: Number of full-time degree-seeking students + [(total credit hours of full-time non-degree seeking students, part-time degree-seeking students, and part-time non-degree seeking students) / 12] until standard definition: FT + 1/3 PT in 2019. Note 2: This is the number of international students coded as non-resident aliens in the administrative database at fall census. As defined by the U.S. Dept. of Education, a non-resident alien is a person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely. Note 3: In accordance with U.S. Department of Education regulations, beginning Fall 2010 the race/ethnic categories shown are those in which we will report our aggregate data. Note 4: In accordance with IPEDS reporting requirements, the First Year Cohort includes all first time, full-time first year degree seeking students. Students who meet this requirement, regardless of the number of advanced standing credits they bring with to Luther, are included in the FY Cohort.
