## 2025–26 Independent Student Verification Worksheet

Student Name: \_\_\_\_\_ Luther ID: \_\_\_\_\_

Student Phone Number: \_\_\_\_\_

Your 2025–26 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the Financial Aid Office at Luther College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and spouse (if applicable) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Luther College Financial Aid Office.

### Part A: Family Size – Includes the Following

- You, the student.
- Your spouse, if applicable.
- Your dependent children if the following are true:
  - They live with you (or live apart because of college enrollment),
  - They receive more than half of their support from you, AND
  - They will continue to receive more than half their support from you during the 2025-26 award year.
- Other persons if the following are true:
  - They live with you,
  - They receive more than half of their support from you, AND
  - They will continue to receive more than half their support from you during the 2025-26 award year.

The provided criteria for “dependent children” or “other persons” mirror with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2025-26 FAFSA. As a result, the student should not include any unborn children in the family size.
