

Student Health Information

Welcome to Luther College! The Office of Student Engagement is here to support you during your college experience. Maintaining health is a key ingredient to your experience at Luther. To support our students, the college offers the following:

- [Luther Clinic](#) - Partnership with Winneshiek Medical Center (WinnMed) for students
- [Counseling Service](#) – provides mental health service and support
- [Student Engagement](#) – coordinate efforts of all student life areas for support

In preparation of health care support, Luther College requires all students complete this student health record form and submit immunization records as part of their admission process. All information on these pages is considered confidential and protected information. It has no effect on your admission status; however, failure to submit by August 1 will result in a delay in room check in.

REQUIRED HEALTH INFORMATION | DUE AUGUST 1

Student Health Record

To be completed and signed by the student. Please be sure you have signed the consent section. Electronic signatures will not be accepted. **Student Athletes:** this form is to be completed in addition to the requirements from Luther Athletic Training Office.

Immunization Record

Students are required to provide immunization records. Students can submit their health provider's immunization record or request a form from the Office of Student Engagement. If the student is unable to complete vaccinations before campus arrival, they are available at the Luther Clinic. The cost of the vaccine will be billed directly to the student.

HEALTH INSURANCE EXPECTATION

Luther College expects that all enrolled students have health insurance coverage. This expectation is in place for the protection of students. Luther students will access on-campus health care services provided by Winneshiek Medical Center through the Luther Clinic. If students choose to utilize the Luther Clinic for their health care needs, it is the responsibility of students/families to review their insurance plans before seeking care to determine if services will be in or out of network for their plan. *It is strongly recommended that students/families check their plan coverage before arriving on campus.* If a student's insurance plan denies the claim for services provided through the Luther Clinic as out of network, WinnMed will work with students on a discounted rate that will be the student's responsibility. Students/families that have additional questions after consulting with their health insurance provider may call WinnMed at 844-617-6990.

CONSIDERATIONS FOR CAMPUS LIVING

Before you move on campus

- Plan to complete required and recommended **immunizations** before moving to campus.
 - The Meningitis B vaccine is also strongly recommended for all college students. Please discuss meningitis vaccination with your health care provider.
- Make a **dental appointment** or **eye care appointment** as needed.
- If you are currently under the care of a physician, discuss **continued care with the Luther Clinic**.
- Know your **family health history**; you will need this information when/if you seek medical care.
- Discuss with your parent/family how you will **share information regarding health care** needs, treatment and billing. *Information about students who are 18 or over cannot be shared with parents without written consent of the student. Keep in mind that medical bills/statements will be in the student's name; including those from the Luther Clinic.*

Items to have on campus

- **Health Care Kit** (first aid supplies, over-the-counter pain medications, cough drops, face mask, etc.)
- Copy of your current **health insurance card**. This information will be needed should you require health care or to obtain prescribed medication at a local pharmacy.
- Copies of your **prescriptions** (medications, eye glasses/contacts)
- Copies of submitted Luther health forms.

Questions about the Student Health Record and Immunization Record may be directed to the Office of Student Engagement; 563-387-1020 or students@luther.edu

Student Health Record

Luther College **requires** all students (1) complete this health record and (2) submit a complete immunization record as part of their admission process. All information on these pages is considered confidential and protected information and has no effect on your admission status.

Please submit this completed record prior to August 1 using Norse Hub at norsehub.luther.edu. For instructions, go to <https://www.luther.edu/offices/its/help-desk/services/software/norsehub>
