

LUTHER COLLEGE®

NICC Housing – The Luther College Option

Deciding where to live is as much a part of your college experience as the classes and programs that you participate in. Choosing a place to live can be a big decision. NICC has partnered with Luther College in Decorah to give students the option to live in Larsen Hall on campus at Luther, which is a 12-mile drive from the Calmar center. Living on the Luther campus, you will have numerous opportunities to become engaged in campus life. Whether it's through participating in a club or being involved in intramurals, students are encouraged to become immersed in the campus community.

The Luther agreement includes tailored options for NICC students participating in specific programs, such as the John Deere Tech program. Under the John Deere Tech housing plan, your housing contract is for the period that you are scheduled to be on campus*. You will not be paying "rent" when you are not here and doing your internship and living elsewhere.

Pricing for 2026-27 Academic Year

Housing*:

Single Room: \$3,895. Per semester
Double Room: \$3,005. Per semester
Triple Room: \$2,820. Per semester

Mandatory Annual Fees

(pro-rated amounts listed below):

Per Year Activity Fee: \$320.

Per Year Technology Fee: \$530.

(must select one):

Option 1: \$2,300. Per Semester Meals + Dining Dollars (most meals)
